We are pleased that you will be attending the GW Pre-College Program. Please note that on the day of registration there will be a mandatory orientation meeting to review program policies immediately following check in.

After Class Activities
As a Pre-College student you have the option to engage in social and co-curricular activities following your class. You will receive a schedule of these activities upon arrival. We encourage you to take advantage of these opportunities to learn about college admissions and the student experience, and to socialize with fellow students. You will have access to the resident hall lounges for these activities. Please be aware that commuter students are not permitted to stay overnight. If you plan on staying late you should bring a meal or snack, as dinner is not provided. Lunch will be provided for students in the non-credit Summer Immersion courses.

If you have any questions, please do not hesitate to contact our office at (202) 242-6802.
